

BENEFITS

Never be late

The Tickler System is a reminder system that integrates with Microsoft Dynamics SL and allows you to set up reminders for repetitive activities such as Filing Taxes.

Save time and money

Never miss deadlines with the Tickler System on your side.

Email

Send email reminders to users, groups and back up groups.

Scripts

Allows SQL script entries to send financial data.

Secure

Tickler System uses Microsoft Dynamics SL's standard security features so access can be limited to specified users.

Key Features

- Sends reminders for repetitive processes.
- Email reminders are sent to users or groups
- Uses Dynamics SL security features
- Saves time and money
- Transfer reminder to another user.
- Set back up user or group.
